(continued)

12/2007 - 03/2012

Express Jet Airlines, Houston, TX, Atlanta, GA .

Aircraft Dispatcher

Dispatched for an FAR Part 121 operation. Exercised joint operation control with the Captain for the planning, departure, en-route, and arrival of flights with safety as the utmost concern in accordance with approved operations specifications. Monitored flight progression, maintained communication with flights, advised flight crews of any issues including but not limited to weather, navaid conditions, airport conditions, air traffic control issues and any other items relating to the safety and efficiency of flight. Proactively planned and advised for diversions, reroutes. Allocated daily flights to dispatchers. Interfaced with air traffic control. Other tasks as needed.

Supervisors: Charles "Chip" Durham, David Rouse (404-856-1000)

05/1997 - 12/2007

Continental Airlines, 1600 Smith St., Houston, TX. 77002

Lead Flight Attendant Scheduler / Lead Customer Service Agent

Progressive advancement beginning as a Lead Customer Service Ramp Agent at the airline's Houston hub. Supervised several gate crews regarding the loading and unloading of aircraft baggage and cargo.

Marshalled aircraft into and out of gates. Maintained and serviced gate equipment and the gate area.

Communicated flight loads to dispatchers and load planners. Frequently chosen to work several special projects, such as audits. Other tasks as requested. Repeatedly recognized for perfect attendance.

As a Lead Flight Attendant Scheduler, ensured staffing of flights in compliance with applicable FARs and the Collective Bargaining Agreement for domestic and international flights. Successfully ensured adequate and on-time availability of personnel for a timely, safe and legal operation.. Monitored, managed and interfaced with management in seven Flight Attendant bases in three hubs. Acted as troubleshooter to resolve discrepancies and issues regarding staffing, often under tense and time-critical conditions.

Trained, managed and mentored new-hires, acted as overnight supervisor. Coordinated with other departments considering crew implications during routine and abnormal operations. Produced numerous daily reports. Repeatedly recognized for perfect attendance. Other tasks as needed.

Supervisor: Jay Simonelli (713-354-5000)
