

Dr. Humphreys D. Uba:
P.O. Box 603 Stafford, TX 77497
E-Mail: Ubahd@tsu.edu.

EDUCATION:

- 2009 Ph.D – Environmental Toxicology, Texas Southern
University, Houston, TX
Dissertation: Advanced Glucose Biosensing and Nano-Composite
Research.
- 1988 M.S Geochemistry/Igneous Petrology, Texas Tech. University,
Lubbock, Texas
Thesis: Effects of contaminants on the rheological properties of
Wyoming Bentonite
- 1986 B.S. Geology, University of Kentucky, Lexington, Kentucky

WORK EXPERIENCE:

- 2008 Adjunct Professor of Geology & Environmental Science
Houston Community College, Missouri City Campus and Central
Campuses
- 2004 – 2010, 2012 Adjunct Professor of Geology
Texas Southern University, Houston, Texas.
- 2003 – 2004 TA Chemistry Department, Texas Southern University, Houston, TX
- 1993 Director of Technical Services, Environmental Analytical Services,
Houston Texas
- 1989 – 1992 Director of Technical Services, Maxim Engineers, Houston, Texas
- 1986 – 1988 Research Assistant, Texas Tech University, Lubbock, Texas
University/ Geology TA
- 1984 – 1986 Kentucky Geological Survey, Industrial Minerals/ Core
Library.
- 1982- 1984 RNI, Reno Nevada

ORGANIZATIONAL MEMBERSHIP: Geological Society of America, Mineralogical Society,
Clays and Clay Minerals, American Chemical Society.
